J. Investigation/Audit Update

1. 202000023; 202000256-AO; Lam Kenny D.

The Board was provided the following update: the matter was referred to the Arizona Department of Insurance ("DOI") and to AHCCCS. The DOI is not planning on pursuing anything because the matter is AHCCCS related and AHCCCS is still investigating the matter. In addition, board staff reached out to Affiliated Monitors ("AM") to conduct the audit of Dr. Lam's associates at the practices where Dr. Lam practices(ed). AM believes there is an investigative aspect to the Board's request; therefore, will not perform the audit. The Board considered contracting with a forensic CPA to conduct the audit or referring the case to the Fraud Division from the Attorney General's Office. In addition, the Board considered directing staff to open additional cases against the practices involved while simultaneously conducting an audit. However, the Board ultimately directed staff to form a committee to discuss auditing for the practices and present to the Board at a future meeting.

Dr. Bienstock was recused and did not participate in the matter.
