## **DENTIST AND DENTAL CONSULTANT CONTINUING EDUCATION**

### **DO'S AND DON'TS**

- DO** Look on our website [www.dentalboard.az.gov](http://www.dentalboard.az.gov) Publications/Board Rules for complete continuing education requirements.
- DO** Enter the number of hours completed for each category. Just a checkmark is not sufficient. Make sure you have met the minimum of 72 hours.
- DO** Enter the total number of hours completed by "self-study" activities as listed in Arizona Administrative Code (AAC) R4-11-1209(A)(4). See below. If you did not complete any "self-study" activities, enter 0.
- DO** Sign the Continuing Education Affidavit and have it notarized.
  
- DO NOT** Claim more than 24 credit hours of "self-study" activities as listed in AAC R4-11-1209(A)(4). See below.
- DO NOT** Throw away your documentation of attendance. The rules require that you maintain these documents for the most recently completed renewal period.

### **Arizona Administrative Code**

#### **R4-11-1209. Types of Courses**

- A4. Subject to the limitations in subsection (B), any of the following activities that provide an understanding of current developments, skills, procedures, or treatment related to the practice of dentistry:
  - a. A correspondence course video, internet or similar self-study course, if the course includes an examination and the licensee or certificate holder passes the examination;
  - b. Participation on the Board, in Board complaint investigations including clinical evaluations or anesthesia and sedation permit evaluations;
  - c. Participation in peer review of a national or state dental, dental hygiene, or denturist association or participation in quality of care or utilization review in a hospital, institution, or governmental agency;
  - d. Providing dental-related instruction to dental, dental hygiene, or denturist students, or allied health professionals in a recognized dental school, recognized dental hygiene school, or recognized denturist school, or providing dental-related instruction sponsored by a national, state, or local dental, dental hygiene, or denturist association;
  - e. Publication or presentation of a dental paper, report, or book authored by the licensee or certificate holder that provides information on current developments, skills, procedures, or treatment related to the practice of dentistry. A licensee or certificate holder may claim credit hours:
    - i. Only once for materials presented;
    - ii. Only if the date of publication or original presentation was during the applicable renewal period; and
    - iii. One credit hour for each hour of preparation, writing, and presentation; or
  - f. Providing dental, dental hygiene, or denturist services in a Board-recognized charitable dental clinic or organization.
- B. The following limitations apply to the total number of credit hours earned per renewal period in any combination of the activities listed in subsection (A)(4):
  - 1. Dentists and Dental Hygienists, no more than 24 hours;
  - 2. Denturists, no more than 12 hours;
  - 3. Retired or Restricted Permit Holder Dentists or Dental Hygienists, no more than nine hours; and
  - 4. Retired Denturists, no more than three hours.
